---

The Court orders that the motion for immediate consideration is GRANTED.

The motion for stay is GRANTED IN PART and DENIED IN PART. As to that portion of the Bay Circuit Court's February 16, 2005 ex parte order that resumed defendant-father's unsupervised parenting time of the parties' minor child on alternate weekends, beginning on Friday, February 25, the motion for stay is GRANTED pending resolution of the application for leave to appeal or until further order of this Court. The stay is without prejudice to defendant filing a motion in the trial court for supervised parenting time. As to that portion of the trial court's order that rescinded its earlier order granting plaintiff-mother's motion to change the child's domicile, the motion for stay is DENIED.

We retain jurisdiction, and the application for leave to appeal remains pending.
